

Careers in the Curriculum Audit

Example of Careers in the Curriculum:

- Career contexts embedded into lessons (Subject learning, inserts, activities, case studies, plenaries)
- Careers and Progression pathways made visible
- Careers themed lessons or modules, opportunities for students encounters with subject relevant employers, higher education providers, alumni etc
- Careers related trips/visits
- Acknowledgement of the importance of essential transferable skills developed in class (listening, speaking, problem solving, creativity, resilience, ambition, leadership, teamwork etc)
- Stand-alone projects demonstrating subject skills and workplace applications
- Careers learning through co-curricular and/or extracurricular activities
- Careers related information displayed in classrooms and/or subject areas
